It should be noted that the Offer Document includes the issuer's statement pursuant to Articles 103, paragraph 3, of the TUF and 39 of the Issuers' Regulation (the "Issuer's Statement"), approved on June 14, 2024, by the Board of Directors of GO Internet, including the opinion of the Issuer's independent director prepared pursuant to Article 39-bis of the Issuers' Regulation.

It is also noted that – as better specified in the Offer Document – pursuant to Article 40, paragraph 2, of the Issuers' Regulation, the acceptance period for the Offer (the "Acceptance Period"), agreed with Borsa Italiana, will start at 8:30 a.m. (Italian time) on Monday, June 17, 2024, and will end at 5:30 p.m. (Italian time) on Friday, July 5, 2024, inclusive. Therefore, July 5, 2024, will be the last day to accept the Offer unless the Acceptance Period is extended, notwithstanding the possible Reopening of the Terms (as defined below).

On the 5th (fifth) open market day following the end of the Acceptance Period – unless the Acceptance Period is extended – on July 12, 2024 (the "Payment Date"), the Offeror will pay each participant in the Offer a consideration of Euro 0.81 fully paid in cash for each share tendered in acceptance of the Offer (the "Consideration"). Therefore, in the event of full acceptance of the Offer, the maximum total value of the Offer calculated based on the Consideration and the total maximum number of Offer Shares is Euro 1,034,747.46 (the "Maximum Outlay")

Should the conditions under Article 40-bis, paragraph 1, letter b), of the Issuers' Regulation be met, the terms for accepting the Offer will be reopened on a voluntary basis for an additional period of five open market days starting from the open market day following July 12, 2024 (unless the Acceptance Period is extended), and thus for the sessions of July 15, 16, 17, 18, and 19, 2024 (inclusive), from 8:30 a.m. to 5:30 p.m. ("Reopening of the Terms"). In the event of Reopening of the Terms, the payment of the Consideration during the Reopening of the Terms will take place on July 26, 2024, unless the Acceptance Period is extended.

It is also noted that by the end of the Acceptance Period, as possibly extended (and during any Reopening of the Terms applied on a voluntary basis), the Offeror and/or persons acting in concert (i.e., Tessellis, OpNet, and Tiscali Italia S.p.A., the "Persons Acting in Concert") may purchase Issuer's Shares outside the Offer in compliance with the applicable regulations. Any purchases made outside the Offer will be disclosed to the market pursuant to Article 41, paragraph 2, letter c), of the Issuers' Regulation.

The Offer aims at the delisting of GO Internet's Shares (the "Delisting").

Specifically, pursuant to Article 41 of "Part Two - Guidelines" of the Euronext Growth Milan Regulations, in the event that, as a result of the Offer, the Offeror – also taking into account the Shares held by the Persons Acting in Concert – comes to hold a total shareholding of more than 90% of the Issuer's share capital, the Delisting may take place without the need for the prior consent of the Issuer's shareholders and will take effect from the date that the Offeror will agree with Borsa Italiana.

If, however, following the Offer, the Offeror – also considering the Shares held by the Persons Acting in Concert – comes to hold a total shareholding equal to or less than 90% of the Issuer's share capital, the Offeror will consider whether to ask the Issuer's Board of Directors pursuant to Article 2367 of the Civil Code ("Calling at the request of shareholders") to convene a meeting to deliberate on the Delisting pursuant to Article 41 of the Euronext Growth Milan Regulation and Article 41 of the "Part Two - Guidelines" of the Euronext Growth Milan Regulation. In this case, the Delisting proposal must obtain no less than 90% of the votes expressed by the shareholders present at the meeting (and not 90% of the financial instruments category).

Alternatively, the Offeror may proceed with the Delisting through a merger by incorporation of the Issuer into BID-GO itself, resulting in the holders of Issuer's shares who do not tender their shares to the Offer or who do not exercise the right of withdrawal, if applicable, becoming holders of financial instruments not traded on any multilateral trading system or regulated market, making it difficult to liquidate their investment in the future.
