

Tiscali Italia Achieves Major Milestone with Multiple ISO Certifications and New Gender Equality Certification

Cagliari, 20 January 2025 — Tiscali Italia S.p.A., a company of the Tessellis Group active in Telecommunications and Media & Tech, is proud to announce that in December 2024 it obtained the **PDR 125 certification for the promotion of gender equality**.

This important recognition is in addition to the various ISO standard certifications that Tiscali already holds: **ISO 27001, 27017, 27018, 20000-1, 22301, 9001, 14001, 45001**.

These achievements underline Tiscali's commitment to ensuring the highest standards in information security, IT service management, business continuity and quality management systems, as well as its focus on environmental sustainability and protecting the health and safety of its employees. Obtaining PDR 125 certification, in particular, rewards the Company's perseverance in promoting policies of equality and equal opportunities at all company levels.

Details of the certifications:

- ISO 27001, 27017, 27018: Demonstrating robust information security management practices.
- ISO 20000: Affirming excellence in IT service management.
- ISO 22301: Ensuring effective business continuity strategies.
- ISO 9001: Commitment to quality management principles.
- PDR 125: Advancing gender equality throughout our operations.

*‘The awards we have received reflect our dedication to excellence and our core values of integrity and inclusion,’ said **Davide Rota, CEO of Tiscali**. ‘In addition, these certifications reinforce our promise to customers and employees to ensure high quality services, while supporting an equal opportunities and conscious work environment.’*
